at 18:00 in the World Cup Tent.

AGENDA.

- 1 Chairmans Report**
- 2 Executive Secretary's Report**
- 3 Financial Statement**
- 4 Elections**
no elections are held this year, one additional slot for riders representatives has to be filled, and we ask the riders for suggestions. Criteria: should be competing at almost all Grand Prix Events, known and respected by the majority of the riders, willing to co-operate on the class committee

- 5 Any other matters excepting those concerning Class Rules**

Proposed rules changes for 2008 Championship Rulebook:

a) Change of Rule F2: Validity of Scoring. "One rider with 5 times at a certain speed" will be changed to: "25% of all finishing riders in that fleet with 5 times at a certain speed"

Abandoning a race is possible at any time during the leg, if the race committee considers the conditions to be unfair, dangerous etc.

b) Change of Rule D4: In Gold/Silver/Bronze racing, direct advancing shall be possible

c) Change of Rule E1: For the standard offshore speed-course, the jibing mark shall be dropped and replaced with a narrow gate. Between that gate and the one-sailor-only area is no overtaking. The area shall be big. Planning in that area is a must.

d) Change of Rule E2: The duration of the legs is up to the race managements discretion, according to the length of the run and number of competitors, but there shall be always two extensions possible.

e) Change of Rule F4: If a round cannot be completed, all competitors in the remaining fleets are awarded maximim points for their respective fleet. After the first discard, only completed rounds shall be counted for the event ranking
