EUROPEAN FREESTYLE PRO KIDS TOUR PRESENTATION FOR EVENT ORGANIZERS

INTRODUCTION

The European Freestyle Pro KIDS Tour (EFPKT) is the result of collaboration between the International Funboard Class Association (IFCA) with support from the International Windsurfing Association (IWA) & the European Freestyle Pro Tour (EFPT)

Our Mission: To create great event experience for windsurfing kids and to award the IFCA Junior and Youth European Freestyle titles 2012 in the U 20, U 17, U 15 and the U 13 Age categories

This Tour was created just 2 years ago to give young talents the opportunity to expose their windsurfing abilities. Today this Tour is recognized throughout Europe, Russia and the Caribbean as a fun, atmospheric, Tour where young windsurfers connect, meet, share and compete fairly with each other. This season the Tour received more interest and publicity than ever before, and we are more than happy to continue.

EVENT CONCEPT

We strive to create new event concepts and to expose new windsurfing talents to the windsurfing industry, in this case freestyle windsurfing which is still known as one of the most entertaining and surely one of the most developing disciplines today. Wind or no wind we always get the riders on the water - riders in the younger age groups can be scored for light wind manouvres, while the older riders demonstrate tricks during a tow-in session.

THE EVENT SET UP

2012

As Event Organizer you should have full local support and permission to host a water sport event on site.

A Crew is needed consisting of a communication person, Flag boy, boat crew if needed and a event PR

An independent freestyle Jury will be appointed by the organizer and approved by IFCA.

The Location should have easy access to the water.

Moderate Accommodation not too far from event site

This event set up could also be a joint collaboration with other local events or happenings.

Small parties are optional but we rather add educational programs for our new talents.
