

Preliminary calendar 2011

The EFPT's new season, it's 9th year, combines the most successful events from the past years and two newcomers in heretofore untouched areas.

Last years highlight will mark this years opening event. By the beginning of June SARDINIA is going to organise it's Freestyle Grand Prix for the third time. Timely close to the first event the Milos Beach Club in LEFKADA will run the 2nd event in 2011. During the rest of June and July the EFPT will take a break to give all riders the chance to prove their skills on the PWA overseas. At the beginning of August the famous windsurfing station Twins Club in BREDENE Belgium will celebrate it's 25th anniversary with a comeback on the EFPT featuring 10.000€ price money. Only two weeks later the EFPT has two premiers at one event. For the very first time we will run a Tow-In competition at the Austrian WÖRTHERSEE featuring Europe's best Freestyle surfers on invitation. Not yet given a fix date, the EFPT is about to realise an event in Israel where we are in close collaboration with the local Tourism agency of EILAT. The final of the European Freestyle Pro Tour is going to take place on NAXOS, Greece, where the Flisvos Sportclub is going to host the Prince of the Wind. Eilat and Naxos are most likely to happen in September. To sum it up: The European Freestyle Pro Tour 2011 is going to prepare 6 events from the North of Belgium to new waves in Israel. The crew, again, is motivated to give Europe's best Freestyle surfers the circumstances they deserve to crown the EFPT champion 2011.

DATE	SPOT	PRICE MONEY
02.06.-05.06.	Sardinia, Italy	10.000 €

tba (Sept.)	Eilat, Israel	10.000 €
tba (Sept.)	Naxos, Greece	10.000 €

NEWS FOR 2011

The currently running ALL EYES ON...-REPORT SERIES on efpt.net is the start of a re-set focus on EFPT's industry members. During the season 2011 this series will be continued with reports about team riders and their gear.

To cover the EFPT's second pillar, event locations, the press department will foster the 2010 initiated EFPT PROVED SPOTS-CAMPAIGN. While 2010 brought a nice certificate for all organisers and collaborative local partners, 2011 will feature travel & experiences reports from every event the tour stops. Basically set up on information from tourism agencies and experiences throughout events, the EFPT will release a spot guide by the end of the season.

2010 was very positive feedback on live updates on social media pages. The tour will take this momentum and add a professional approach. For 2011 event organisers have the possibility to bring events life via the EFPT LIVE TICKER on efpt.net.
