

## **2014 Report from the Formula Experience Class to the ISAF Windsurfing & Kiteboarding Committee**

This 2014 report is somewhat brief, mainly due to the fact that this years world championships are scheduled for after Conference – [19<sup>th</sup> to 24<sup>th</sup> November in Cordoba, Argentina.](#)

The [2013 World Championship](#) was held in Araruama, RJ, Brasil, from 14<sup>th</sup> to 17<sup>th</sup> November, and was won by Gonzalo Costa Hoevel from Argentina.

The [2013 South American Championships](#) was held in Buenos Aries, Argentina, from 9<sup>th</sup> to 14<sup>th</sup> December. and was won by Eduardo Kretschner from Chile.

The class has maintained its membership during 2014, and remains strong in South America, particularly in Argentina, Brasil and Peru, but with fleets continuing to grow in some countries eg Chile, Uruguay and Venezuela.

The cost of new equipment has an impact on the development of windsurfing and windsurfing classes. FE offers the opportunity to race “high performance, formula style, on relatively low cost equipment.

Some further improvements are proposed for 2015 onwards – [click here](#)

The FE Class wishes to thank Starboard for their continued support of the class.
